

**Dear Friends,**

Greeting and best wishes to you all from Nityaseva hospital community, Staff, Students and patients.

God has blessed us abundantly to carry His mission with courage, joy and enthusiasm. Here, I shall share with you a brief report of the patient whom we have helped. All this patients are economically very poor and not able to pay hospital bills or medicines. We assured them our love and support in their time of sickness and suffering.

**1. ADHINATH VIJAY KHUDE:-**

Sex:- Male; Age -17yrs

Address: Kham Pimpri, taluka Shevgaon, Ahmednagar.

Adhinath is 17yrs old boy approached to Outpatient department without any relatives with him. While filling the information on the case paper, we realized that Adhinath is an orphan child who lost his both parent due to HIV/AIDS. He has one brother who is studying in 7<sup>th</sup> std. Both children are staying with grandparents who are old and not able to take care of them. Their relatives are not taking care of them. So Adhinath being eldest has to look after the family this boy is very keen to study and handle the household. He is studying in 11<sup>th</sup> std and doing daily wages. While doing this all activity he has neglected his health and land up in anemia. After doing the investigation the result showed that he has only 3gm% hemoglobin and needed admission and blood transfusion. With the help and support of yours we have manage to give him 3 pints of blood and medicine and also food. Now he is hopsitalised and under the care of us. With this he will be able to gain his health back and in future we shall think of helping him for his study.

**2. ADHINATH DNYENDEV KATKADE:-**

Sex: Male; age: 26yrs.

Address:- Talni, Taluka Shevgaon, Ahmednagar

Adinath is mentally challenged boy. He was admitted in the hospital due to infected wound on the leg with epilepsy. Adhinath is looked after by his grandmother since both the parents are no more in the world. Adinathe has one elder brother who is working in shop.

When they came to the hospital they had no money to get admit and get the treatment. We have helped him for the treatments and also he had blood transfusion. We also provided healthy diet now he feels healthy. He will take some time to be healthy and sound.

### 3. SUSHILA BHASKAR WAGH

Sex : Female; Age:6yrs

Address:- Pategaon, Paithan, Ahmednagar.

This child is tribal caste, this tribe does not settle in one place, they move from one place to another, it is called Bhatkya (wonders/roaming in fields). Sushila's mother is blind and father is daily wage earner. Most of the time, he has no work. Sushila has two sisters; they do not go to school. Sushila got burnt with 36% and admitted in our hospital for the treatment she is under treatment and we provide all the facility for her.

We are happy that God has given us this opportunity to serve Him generously. Your financial support enables us to collaborate effectively in God's mission. We are happy to affirm life and promote healthy life in building a community. A healthy community will be built of love, joy and peace. We assure you that we shall keep you all in our prayers. Please do continue to pray for us specially our dear patients, staff, students and community.

Thanking you very much
